The screenshot shows the MikroTik User Manager interface. On the left, the 'Users' menu is highlighted with a hand icon labeled '1'. The main area displays a table of users with columns for 'Add', 'Edit', 'Generate', 'CSV File', 'Vouchers', 'Password', 'Till time', 'Total time left', and 'Actual profile'. A hand icon labeled '2' points to the 'Generate' button in the table. Below the table, a 'Vouchers' popup window is shown with a 'Generate' button labeled '3' and a 'Click here if the popup didn't show up' link labeled '4'. To the right, a browser window displays four generated 'WIFI VOUCHER' QR codes, each with associated information like Plan, Username, Password, and Price.

Add	Edit	Generate	CSV File	Vouchers	Password	Till time	Total time left	Actual profile
